

Google Cloud Skills Boost 10-weeks access instructions

1. Please open the Google Chrome browser in an incognito window.
2. This stage of the GET GCP Certified Program requires access to the [Google Cloud Skills Boost](#) to allow you to enter learning materials.
 - a. You can use the account you have created for the 1st Program stage
 - b. You can also create a new account, you'll need to create one using this [link](#). Creating an account is always free of charge.
3. After creation of the account, please first sign out.
4. Later please click on this link: <https://www.cloudskillsboost.google/catalog?event=Your>
5. It will ask you to enter a code. Please use this code: **5l-board-19** and click on submit.
6. Then sign in into your account again.
7. You will be prompted to the catalog. Please complete a lab to unlock the additional benefits.
8. After completion of the lab, please:
 - a. click on the yellow tab "-/100" at the top right of the screen, allowing verification of completion before clicking on "end the lab", you should normally have "100/100" appearing in the yellow tab.
 - b. Once the verification is done and you have clicked on "end lab".
 - c. Please make sure that you have logged out and logged in once again to the Google Cloud Skills Boost platform.
9. After you re-login to the platform, on the top right hand side of the page you will be able to see your profile picture, click on it and go to the settings.
10. You should be able to see 'monthly subscription' in your profile within minutes just as shown in the screenshot mentioned below:

11. If you performed all the actions correctly, you should be able to see the "EXPIRES ON" information on the date which is 10-weeks after your account activation.
12. If you are still facing any issue with the 10-weeks access after going carefully through all the steps mentioned above then please:

- a. First create another account on another email, as there is a possibility that you have enterprise/30-day free trial/another access from previous programs. After that please carefully go through all the steps above on the new account.
 - b. If all steps mentioned above and point “12.a” are not working for you, please contact [Qwiklabs Support](#).
13. The activation link is open until **23rd June, 2023**, and will not be extended, please activate your account accordingly.
